In connection with the Offer, Citigroup Global Markets Limited, as stabilisation manager (the "Stabilisation Manager"), or any of its agents, may (but will be under no obligation to), to the extent permitted by applicable law, over-allot Shares or effect other transactions with a view to supporting the market price of the Shares at a level higher than that which might otherwise prevail in the open market. The Stabilisation Manager is not required to enter into such transactions and such transactions may be effected on any stock market, over-the-counter market, stock exchange or otherwise and may be undertaken at any time during the period commencing on the date of the commencement of conditional dealings of the Shares on the London Stock Exchange and ending no later than 30 calendar days thereafter. However, there will be no obligation on the Stabilisation Manager or any of its agents to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. Such stabilising measures, if commenced, may be discontinued at any time without prior notice. In no event will measures be taken to stabilise the market price of the Shares above the offer price. Save as required by law or regulation, neither the Stabilisation Manager nor any of its agents intends to disclose the extent of any over-allotments made and/or stabilisation transactions conducted in relation to the Offer.

In connection with the Offer, the Stabilisation Manager, may, for stabilisation purposes, over-allot Shares up to a maximum of 10% of the total number of Shares comprised in the Offer. For the purposes of allowing it to cover short positions resulting from any such over-allotments and/or from sales of Shares effected by it during the stabilisation period, the Stabilisation Manager will enter into over-allotment arrangements with certain existing shareholders (the "**Over-Allotment Option**") pursuant to which the Stabilisation Manager may purchase or procure purchasers for additional Shares up to a maximum of

10% of the total number of Shares comprised in the Offer (the "**Over-Allotment Shares**") at the offer price. The Over-Allotment Option will be exercisable in whole or in part, upon notice by the Stabilisation Manager, at any time on or before the 30th calendar day after the commencement of conditional trading of the Shares on the London Stock Exchange. Any Over-allotment Shares made available pursuant to the Over-Allotment Option, including for all dividends and other distributions declared, made or paid on the Shares, will be purchased on the same terms and conditions as the Shares being issued or sold in the Offer and will form a single class for all purposes with the other Shares.

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the Product Governance Requirements) may otherwise have with respect thereto, the Shares have been subject to a product approval process, which has determined that the Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Shares may decline and investors could lose all or part of their investment; the Shares offer no guaranteed income and no capital protection; and an investment in the Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offer. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Banks will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Shares and determining appropriate distribution channels.
