REVISION OF INTERNATIONAL CALLING AND ROAMING RATES (VOICE, SMS & DATA) EFFECTIVE 11TH JUNE 2024

airtel
A REASON TO **IMAGINE**

Airtel Malawi Plc, a leading mobile telecommunications provider in Malawi, wishes to notify its valued customers of the revision of its international calling, SMS, and roaming rates for Voice, SMS, and Data for various destinations across Africa and the world.

These price revisions have been necessitated by the loss of value of the Malawi kwacha to the US dollar over a period of 3 years and consequent escalating interconnection and roaming costs from partners which are costed in dollars. The last price revision for international calling, SMS and roaming rates for Voice, SMS and Data services was implemented in 2021, hence these price revisions represent a full cost recovery for these services.

These changes will be effective from **11th June 2024**
