How we get the personal information and why we have it

We do not collect personal data through automated means.

Most of the personal information we process is provided to us directly by you for one of the following reasons through our data collection forms for;

- Telecommunication services which include (voice calls, data bundles)
- Purchase of products/ services (mifi's, routers, simcards, internet cables, collocation, phones,)
- Payments (merchant pay, airtel money)
- Collections

Under the Uganda's DPPA, 2019 the lawful basis we rely on for processing this information is:

- Your consent, however you are able to withdraw your consent at any time. You can do this by contacting us through our contact details below.
- We have a contractual obligation
- We have a legal obligation
- We have a legitimate interest.

The purpose for the personal data we collect and process

To communicate with you when you write to us through the 'contact us'. This is to enable our in-house service desk team follow-up any clarification, inquiry or complaint raised by a user. The Legal basis relied upon to collect and process this personal data is 'legitimate interest' as defined in Regulation 10(2)(b) of the Data Protection and Privacy Regulations, 2021.

Non-Disclosure of customer's Information

Due to the mutual trust with our customers, airtel will maintain at all times the privacy and confidentiality of all personal information collected. Such information may only be disclosed when required by law or when in good faith we believe that such action is necessary or desirable to comply with the law, protect or defend the rights or property of airtel, this site or its users.

We may disclose personal data to any third party in accordance with the law or in compliance with an order of court or regulatory directive or lawful request or in performance of a contract; for prevention, detection, investigation, prosecution or punishment of an offence or breach of law, our affiliates but not limited to those.

Transfer of customer's information

Customer information may be transferred to countries outside Uganda in accordance with the law or in compliance with an order of court or regulatory directive or lawful request or in performance of a contract; for prevention, detection, investigation, prosecution or punishment of an offence or breach of law, our affiliates but not limited to those.

Protection of Personal Data

Personal data is secured with the state of the art data security controls. This website is secured with the appropriate technical and organizational security controls. In addition, we have a skilled support team that maintains the operational security (technical and organizational) controls for this website.

rights.

Your data protection rights

Under data protection law, you have rights including:

Consent- you have the right to consent to the collection of your personal data by us.

Your right to access your personal information- you have the right to ask us for copies of your personal information after proof of identity by providing a national identification card or aliens identification card/ a passport or any travel document or a driver's license through [this link](https://test.airtel.ug:8443/assets/pdf/Form-8-Request%20to%20Confirm%20Possession%20of%20Personal%20Data.pdf) <https://test.airtel.ug:8443/assets/pdf/Form-8-Request to Confirm Possession of Personal Data.pdf>

Your right to rectification- you have the right to ask us to rectify your personal information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete by notice or in writing to us to rectify your personal data.

Your right to erasure & destruction- you have the right to ask us to erase your personal information in certain circumstances and also dispose it off by notice or in writing to us to erase and destroy your personal data.

Your right to prevent processing- you have the right to ask us to prevent the processing of your personal information in certain circumstances by notice in writing to us requiring us to cease the processing or further processing of your personal data.

Your right to object to processing of personal data for direct marketing- you have the right to ask us to restrict the processing of your personal data for direct marketing by dialing *185*7*4#.

Data Retention & Storage

Personal data provided will be retained for a reasonable period.

IP Address

While visiting our Website, the server used by Web Host will record the following:

Your IP Address.

The date and time of your visit

The type of Internet Browser used.

The URL of any website that you were directed from.

The personal information from your computer when you browse this site will be collected voluntarily.>

Links

Our website may contain links to other websites. Airtel will not be responsible for contents of other websites including their data collection practices and privacy policies.

Personal data will therefore be deleted six months after the request, inquiry or complaint has been resolved.

Contents

All contents published on our website reflect the latest available information. There is a possibility that some of the content may be outdated and this is not due to negligence, but is out of our control. Only formal documents are considered to be official and reflect all airtel changes. airtel is not to be held liable in respect to the content on this site if used in sole discretion. airtel has full rights to change content without prior notice.

Surveys

As with any regular survey, our online web surveys are there to help gathering specific information regarding web site issues. This is in order to enhance the quality of service, which eventually will be reflected positively for our customers, given that the provision of their name and other details is totally optional.

Expediting a requested transaction

Necessary Information required from you will be submitted to us without any obligation. This information will help in better processing of your requests where applicable. The information you provide will never be sold to any third party for their own marketing purposes without your express permission in writing unless it is used on an aggregated basis for statistical and research purpose without any information which can be used to identify you.

Consequences of Not Consenting to This Privacy Policy/Not Providing Your Personal Data

The collection of your personal data by us may be mandatory or voluntary in nature depending on the Purposes for which your personal data is collected. Where it is mandatory for you to provide us with your personal data, and you fail or choose not to provide us with such data, or do not consent to the above or this Privacy Notice, we will not be able to provide our Platform and/or Service to you.

Contact airtel for Questions and Comments

All Information provided to airtel will be treated as confidential. Online forms requesting information will help us in providing you with enhanced quality of customer care. Such information will be used to respond to your questions, comments or requests by either airtel or any of its business divisions and subsidiary companies only.
