

Airtel Money & Mastercard Re-Launch the Airtel Money Global Pay Card.

Airtel Money and Mastercard have re-launched the Airtel Money Global Pay Virtual Card, bringing back secure and convenient digital card payments that connect Zambians to the global economy!

The event was graced by Hon. Elias Mubanga, Minister of Small and Medium Enterprise Development, who commended the innovation for empowering SMEs to expand their markets internationally.

“This innovation empowers SMEs to expand their markets and participate in the global economy,” said Hon. Mubanga.

Andrew Chuma, Airtel Money Country Director, emphasized Airtel Money’s mission:

“Through Mastercard, we are giving our customers ,especially small businesses , the power to

transact beyond borders.”

Gabriel Swanepoel, Mastercard Southern Africa Country Manager, highlighted that this partnership will unlock global opportunities for every Zambian:

“This card opens up global commerce opportunities for every Zambian.”

Access Bank Deputy Managing Director, Bobbline Cheembela, reaffirmed the shared commitment to driving the Government’s digital transformation agenda.

This re-launch marks a major milestone in Mastercard and Airtel Money’s shared vision to empower more Africans with secure, convenient, and globally accepted digital payment solutions, unlocking new opportunities for growth, connection, and participation in the digital economy.
